Come again! Steady B like this

[Steady B]

I'm serious, as serious can get

Especially when the mic's involved I won't sweat

I came here tonight to do what's right

To make you move, make you groove, with the rhymes

I recite

[KRS-One]

I was listening to BDP when suddenly...

Believe it or not, this is a remix, this is a remix

Yo Doc, break it down like this!

Believe it or not, this is a remix, this is a remix

Believe it or not, this is a remix

So we're gonna have to break it down for Steady B

My name is Blastmaster KRS-One

Yo Doc, break it down like this!

[Steady B]

I'm serious, as serious can get

Especially when the mic's involved I won't sweat

I came here tonight to do what's right

To make you move, make you groove, with the rhymes

I recite

I'm so serious, I won't tolerate

Any posse, any crew, any single fake

Serious, when it comes to women

Ain't about games so make sure you're given

The S to the T, E-A-D-Y-B

Microphone sets fire, don't ask why a

It don't for me, and you plus your crew

And if you miss it now, then you boo

Cause I'm going straight ahead, it ain't no reversing

Steady B is in the place so stop searching

I came to rock you, that's the main reason

And as the best one, I still ain't leaving

Til I catch a couple beats, start to freak

And then you know, my job's complete, cause I'm

serious

[KRS-One]

Because of the fact that this is a remix
We will now take the time...to remix it

Yes man, and BDP is definitely serious
Steady B, definitely serious, Cool C, definitely serious
Tad Money, definitely serious, Ms. Melody, definitely
serious
Dj Doc, definitely serious, come again Steady B like
this!

[Steady B]

I'm gifted, physically and mentally
To make a rhyme as serious as I can be
Better and better I get rough and rougher
The MC's suffer, they had enough of
Maybe young poor they're scared and I'm fearless
Of my attitude, is serious
The pressure's on, all joking aside
Cause I'm a maniac, so you suckers better hide
Time to get paid, don't act funny
Especially when it comes to my money
MC to the death, my last breath
Will be kicking the rhyme til there ain't none left
man I'm not crazy, MC's don't faze me
Amateurs, just don't amaze me
Yo listen up, Tad is on the cut
And if you don't like it, who gives a --

[KRS-One]

Wait wait hold it!
Weirdos! Shockos! BDP is cold rocking terrorizing
suckers again
Yes man, yes man
And we are definitely serious in today's 1999 society
BDP is always ahead of their time and so is Steady B
So we're on the label called J-I-V-E
And of course on the mix is D-O-C
And we gonna do it a little something like this
Cause the name of the crew is BDP

"I'm Chief Kamanawanalaya" (Scratched 6x)
