Into the brave new world

I hope I see you on the other side

Of this changing world

Baby when my ship pulls in

I try to believe in anyone

Look at the state I'm in.

But for now

I'm just sitting at the table

Hearing songs

Wishing I was able, stable

NAH NAH NAH NAH NAH x 3

I hope I see you on the other side x 2

Brother don't try to find

Don't try to believe in anyone

For I would change your mind

Baby when my ship pulls in

I try to believe in anyone

Look at the state I'm in, I'm fine

But for now

I'm just sitting at the table

Hearing songs

Wishing I was able, stable

NAH NAH NAH NAH NAH x 6

I hope I see you on the other side x6

But for now

I'm just sitting at the table

Hearing songs

Wishing I was able, stable

Brave new world x 3

NAH NAH NAH NAH NAH x 6

I hope I see you on the other side x6
