

## Safety in Numbers "Alone"

Visit "[Alone](#)" on [MotoLyrics.com](#)

After all that we've been through I see you couldn't be true to me.  
And you know how hard I tried.  
Really thought you were the one but now you're just anyone.  
You just pushed me to the side.  
It's alright, I'm okay. Don't matter anyway.  
You're out of touch, I'm out of mind.  
I swear to you, I'm doing fine.  
Just give me a minute and then we can talk about it.  
And now this time it's shown.  
Once again you've cut me loose.  
Your reason, the same excuse.  
You don't wanna settle down.  
I should've known it from the start.  
Before you tore me apart.  
You just pushed me to the ground.  
It's alright, I'm okay. Don't matter anyway.  
You're out of touch, I'm out of mind.  
I swear to you, I'm doing fine.  
Just give me a minute and then we can talk about it.  
And now this time it's shown.  
Let me remind you.  
Never forget about it.  
All this time you'd known.  
Just leave me alone.  
It's alright, I'm okay. Don't matter anyway.  
Don't look at me. I'm all rid of it.  
I wish you'd stop 'cause you're hurting me.  
You're out of touch, I'm out of mind.  
I swear to you, I'm doing fine.  
All this time you'd known.  
Just leave...  
It's alright, I'm okay. Don't matter anyway.  
You're out of touch, I'm out of mind.  
I swear to you, I'm doing fine.  
It's alright, I'm okay. Don't matter anyway.  
You're out of touch, I'm out of mind.  
I swear to you, I'm doing fine.  
Won't you please leave me alone?  
I just need some time alone.  
Won't you please leave me alone?

I just need some time...
