Is this the end of the moment
Or just a beautiful unfolding
Of a love that will never be?
Or maybe be

Everything that I never thought could happen
Or ever come to pass and
I wonder if maybe, maybe I could be
All you ever dreamed

?Cause you are beautiful inside, so lovely and I
Can't see why I'd do anything without you, you are
And when I'm not with you, I know that it's true
That I'd rather be anywhere but here without you
Anywhere but here

Is this a natural feeling
Or is it just me bleeding?
All my thoughts and dreams
In hope that you will be with me or

Is this a moment to remember
Or just a cold day in December?
I wonder if maybe, oh, maybe I could be
All you ever dreamed

?Cause you are beautiful inside, so lovely and I
Can't see why I'd do anything without you, you are
And when I'm not with you, I know that it's true
That I'd rather be anywhere but here without you
Anywhere but here, anywhere but here

Is this the end of the moment
Or just a beautiful unfolding
Of a love that will never be
For you and me?

?Cause you are, you're beautiful inside, you're so
lovely and I
Can't see why I'd do anything without you, you are
And when I'm not with you, yeah, I know that it's true
That I'd rather be anywhere but here without you

Whoa, ooh yeah, no, no, no, no, no
