Shpejt kaluan ditet e shkolles veq kujtimet  
na kan mbet kater vite shpejt kaluan sikur tishin kater net  
nklasen ton me shokun tim ma sdot jem  
nbanken e vjeter maturant mo kurr sdot  
bahem tash fillon krejt nje jet tjeter.

ref2. kater vjet u ben nje nat edhe sonte maturant mos pushoni ne ket nat se kjo nat nuk esht e gjat  
shpejt kalon

kater vjet plot lumturi shkoll e dashur tfalem  
ty ku mesova dituri ka njoha nje dashuri o shokt e mi.

aventura ditet tona tash me histori e te kaluares e sonte mbaron libri jon faq e fundit mbremja  
matures.

zgjatma doren t'tvallzojm ne ket nat per her  
te fundit bashk n'perqafim mos i fshi syt qe po qajn se lotet mjapin ngushlim.

gjithmon fundi esht i rand po ky sonte shum i veshtir a dot mund tju kthej  
the end is always the hardest, but this last night is really difficult. will i be able to reply to you all  
when you all say "farewell" to me  
the days of September will come quickly, the leaves will shrivel, rain will fall on the classroom we  
loved so much, and there will be new graduates
