Fuck off,

Fuck off,

Red lips, black eyes,
Haircut, freak style,
Earring, high heels
Look at the mirror.
Glam, shine, red wine,
Champagne, feels fine,
Smile, face, cocaine
I'm ready to go.

I'm living my live,
I do what i want
I can be a rock star,
I can be a "fuckstar"
If you come closer,
I'll show you my love,
But baby if you don't, don't, don't

If you don't like it, Fuck off
I'm dancing in my heels
If you don't like it, Fuck off
I'll kill you with my heels,
If you don't like it...

Dark place, freak show,
Drug queens, gays, whores,
Straights, Punks, Lesbiens
Stand in a circle.

We are free lives,
Lets Rock the night,
All have a good time,
We're ready to go

I'm living my live,
I do what i want
I can be a rock star,
I can be a "fuckstar"
If you come closer,
I'll show you my love,
But baby if you don't, don't, don't

If you don't like it, Fuck off
I'm dancing in my heels
If you don't like it, Fuck off
I'll kill you with my heels,
If you don't like it...

we are all children of the universe (x8)

If you don't like it, Fuck off
I'm dancing in my heels
If you don't like it, Fuck off
I'll kill you with my heels

If you don't like it, Fuck off
I'm dancing in my heels
If you don't like it, Fuck off
I'll kill you with my heels,
If you don't like it...

we are all children of the universe,
If you don't like it, Fuck off
