I

Somebody tell me
I can explain
Why are you here and
Falling rain
Why do you with me
But you don't mine
Why do we waist our time
And I feel your cold heart round
Never feel the way like this
With the answer cannot find
I'm not deserve that
Tears (tears, tears, tears, tears)

Refrain:

I'm lost in love
Lost in love
I'm lost in love
Lost in love

II

I wanna feel you
One more time
I wanna smell
Your hair again
You are a stranger
Is not mine
I never ever feel
The same (same, same, same, same)

Refrain:

I'm lost in love
Lost in love
I'm lost in love
Lost in love

(D^{1/2}Dμ Ñ€D° D·D^{3/4}D±Ñ€D° D»D°)

I don't believe in fairytales
Say gonna machine yesterday
To leave your message from e-mail
Don't let music
Play (play, play, play, play)

I'm lost in love
Lost in love
I'm lost in love
Lost in love

Plat, play, playâ€¦

I'm lost in love
