I don't want to loose you,  
This good thing, that I got,  
'cause if I do, I will surely,  
Surely loose a lot.  
'Cause your love is better  
Than any love ive know.  
It's like thunder and lightning,  
The way you love me excites me.  
You better knock (knock), on wood, baby.  
Ooooooooooooo, oh yeah, oh yeah  
It's no secret about it, cause with your loving touch,  
She sees to it, that I get enough  
Feel her touch from here, you know it means so much  
It's like thunder, close to lightning  
The way you love me is frightening  
You better knock (knock), knock on wood,  
Baby, oooooooooo ooo yeah  
Think you better knock, knock, knock on wood  
Think you better knock, knock, knock on wood,  
Think you better knock, knock, knock on wood  
Think you better knock, knock, knock on wood,  
Think you better knock, knock, knock on wood  
Think you better knock, knock, knock on wood  
Think you better knock, knock, knock on wood  
Think you better knock, knock, knock on wood,  
Think you better knock, knock, knock on wood,  
Think you better knock, knock, knock on wood,  
Think you better knock, knock, knock on wood,  
Think you better knock, knock, knock on wood,  
Think you better knock, knock, knock on wood,  
Think you better knock, knock, knock on wood,  
Think you better knock, knock, knock on wood,  
Yeahhhhh
