He, hey yeah

Did you really love me?
Did you really need me?
Or were you just using me?
Or were you just using me?

I never felt so used, I won't go back to you. So leave me alone.

I wasn't good enough, it was never about us.
So leave me alone (alone, alone)
So leave me alone (alone, alone)

I've had enough of your kiss.
The touch of your hand, I won't miss.
I've been wrapped up in all your crazy ways.

I'm caught up in your web of lies.
Gonna cut myself loose and say goodbye.
Bye. Bye.

I don't want you. I don't need you...
I don't want you (yeah)

I never felt so used, I won't go back to you. So leave me alone.

I wasn't good enough, it was never about us
So leave me alone (alone, alone)
So leave me alone (alone, alone)
So leave me alone (hey, hey, hey.)

Did you really love me?
Did you really need me?
Or were you just using me?
Or were you just using me?

I never felt so used, I won't go back to you. So leave me alone.

I wasn't good enough, it was never about us.
So leave me alone (alone, alone)
So leave me alone (alone, alone)
