Don't wanna talk about the way I am
I only try to make you understand
that my affection is so really true
and my heart has started thumpin' since I met you

I just can't wait until tonight baby
'til I have you by my side baby
I just can't wait until tonight baby
for being with you

do do do do do

first time I saw you it just knocked me down
the way you smiled has turned my life around
I never thought that it would catch me so
I'll get my head together cause I want you to know

I just can't wait until tonight baby
'til I have you by my side baby
I just can't wait until tonight baby
for being with you

do do do do do

true love won't be afraid of no one
true love will lead us through the day
I'll get my head together
and I want you to say

I just can't wait until tonight baby
'til I have you by my side baby
I just can't wait until tonight baby
for being with you

do do do do do
