

Saga "Angel"

I know everything about you
What you like to do
Where we're gonna be when we're old
You don't know me but I know you
And I can't say when we'll meet
But I feel we getting close
Fall angel fall
Hold me a fallen angel and set me free
Fall angel fall
Fall for me
Could be anywhere
Maybe far from here
Might tap me on the shoulder right now
I don't know how but I know you're there
And I'll always believe
And know we're getting close
Fall angel fall
Hold me a fallen angel and set me free
Fall angel fall
Fall for me
All my life I've lived with this misery
