[V1]

I'm still trying to figure out how to tell you I was wrong
I can't fill the emptiness inside since you've been gone
So is it you or is it me?
I know I said things that I didn't mean
But you should've known me by now
You should've known me

[Chorus]

If you believed
When I said
I'd be better off without you
Then you never really knew me at all
If you believed
When I said
That I wouldn't be thinking about you
You thought you knew the truth but you're wrong
You're all that I need
Just tell me that you still believe

[V2]

I can't undo the things that led us to this place
But I know there's something more to us than our
mistakes
So is it you or is it me
I know I'm so blind when we don't agree
But you should've known me by now

You should've known me
Cuz you're all that I want
Don't you even know me at all
You're all that I need
Just tell me that you still believe
