When twilight comes too soon
And darkness fills the room
It's time to walk into the sun
When all is said and done
And passions on the run
It's time to, walk into the sun

And feel the heat
Feel the passion grow until you can't breathe
Walk into the sun

Just feel the heat
Feel the dragons? breath under your feet
Walk into the sun

Don't say goodbye
'Cause you're already gone
Don't say goodbye
'Cause you're already gone

Feel the heat
Feel the passion grow until you can't speak
Walk into the sun

Just feel the heat
Feel the dragons? breath under your feet
Walk into the sun

Don't say goodbye
'Cause you're already gone
Don't say goodbye
'Cause you're already gone

Don't say goodbye
'Cause you're already gone
Don't say goodbye
'Cause you're already gone

Don't say goodbye
(Don't say goodbye)
'Cause you're already gone
