

Saga "Help Me Out"

Visit "[Help Me Out](#)" on [MotoLyrics.com](https://www.motolyrics.com)

You just sit there like there's nothing wrong
Slightly unconcerned
Don't you think your silence
Holds you back?
Won't you ever learn? (Take it)
Can't you see it's worth it?
Can't you try?
Time is running out
If you don't think you'll make it
Let me know
But please don't waste my time
Just help me out
I can't do this myself anymore
Help me out
I can't do this myself anymore
If you lack inspiration
If you need a push
Think of what you'll gain
I won't criticize you
I'll be kind
I'll even play your game
If you'll help me out
I can't do this myself anymore
Help me out
I can't do this myself anymore
You just sit there listening
Like there's nothing wrong
Slightly unconcerned
Don't you think your silence
Holds you back?
Won't you ever learn? (Take it)
