How are you feelin' now?  
How are you feelin' now?

I've got some news for you  
You and your attitude  
Back off, I won't go near it

Your world goes 'round and 'round  
You might be feelin' down  
But we don't wanna hear it

Now you've seen better days  
It's written in your face  
Just have to grin

No matter what you do  
It all comes down to you  
You are the one who wears it

Come on tell me  
I'm listening

How are you feelin' now?  
That's what it's all about  
How are you feelin' now?  
Don't turn, you're upside down

Be careful what you say  
We'll run the other way  
I don't mean to burst your bubble

Carry a lot of weight  
Haven't you heard of fate  
Or do you prefer the trouble?

[Incomprehensible]

How are you feelin' now?  
That's what it's all about  
How are you feelin' now?  
Don't turn, you're upside down

How do you right now?  
Don't turn, you're upside down

How are you feelin' now?  
How are you feelin' now?  
That's what it's all about  
How are you feelin' now?  
Don't turn, you're upside down

How are you feelin' now?  
That's what it's all about  
How are you feelin' now?  
Don't turn, you're upside down

How are you feelin' now?  
That's what it's all about  
How are you feelin' now?
