My name is Sam
Oh ya
Your time is up
I'm the one who makes the decisions
My name is Sam
Oh ya
We won't need luck I'm watching you on your mission
"My Name is Sam"
I'm gonna roll your heart out, and use it for a carpet
"My Name is Sam"
I'm gonna walk you home, and shove you in your
basket
You don't look well
Do you need your mother, or maybe your father?
I just can't tell
Just tell me why, why should I bother?
"My Name is Sam"
I'm gonna roll your heart out, and use it for a carpet
"My Name is Sam"
I'm gonna walk you home, and shove you in your
basket
