There was a time when I didn't mind
I'd do anything you wanted
I'd hide behind a frozen smile
I've turned a page and every thing's changed
I'll finish what you started
You've left me no other way

I'm not afraid to face the spotlight
I'm stepping out
Coming out of the shadows
I'm not afraid to face the daylight
I'm stepping out
Coming out of the shadows

But even now, I feel somehow
I need you more than ever
To help me find my way
I just can't see myself hiding forever
I've got to break free from these chains

I'm not afraid to face the spotlight
I'm stepping out
Coming out of the shadows
I'm not afraid to face the daylight
I'm stepping out
Coming out of the shadows

But now, I need you more than ever
To help me find my way

Out of the shadows
Out of the shadows
Stepping out
Out of the shadows
Out of the shadows

I'm not afraid to face the spotlight
I'm stepping out
Coming out of the shadows
I'm not afraid to face the daylight
I'm stepping out
Coming out of the shadows

I'm not afraid to face the spotlight
I'm stepping out
