

Saga "Return to Forever"

Visit "[Return to Forever](#)" on MotoLyrics.com

I've lost focus, there's some thing wrong
I've no sense of direction
Am I somewhere I don't belong?
Is that really my reflection?

One ticket is not enough
There's only one solution
I'll rediscover my wanderlust
And write my own conclusion

Touchin' the untouchable
It's always a big surprise
And when you're walkin' with your pockets full
You can enjoy the ride

I've got the feeling it's not too late
I've made my reservation
I'm gonna leave it in the hands of fate
To exceed my expectations

I found a way to return to forever
Back to the days when I had nothing to lose
I may have let it fade away
'Cos I could get through anything, one way or another

No hesitation, no holding back
A silent celebration
No stopping, I'm back on track
With new anticipation

Touchin' the untouchable
It's always a big surprise
And when you're walkin' with your pockets full
You can enjoy the ride

I found a way to return to forever
Back to the days when I had nothing to lose
I may have let it fade away
'Cos I could get through anything, one way or another

I found a way to return to forever
No one ever told me I was breakin' the rules

I'll never let it slip away
And I know there is still more yet to be discovered

Touchin' the untouchable
It's always a big surprise
And when you're walkin' with your pockets full
You can enjoy the ride

I found a way to return to forever
Back to the days when I had nothing to lose
I may have let it fade away
'Cos I could get through anything, one way or another

I found a way to return to forever
No one ever told me I was breakin' the rules
I'll never let it slip away
And I know there is still more yet to be discovered

And I know there is still more yet to be discovered
