Colorblind

Looks like it's dinner for two
Anxious bride
But still no sign of the groom

Pantomime

No one plays by the rules
Now it's closing time
Back to your room with a view
You got another chance to

Rise and shine

Or yesterday will slip into tomorrow
Gotta rise and shine
And in time you'll find someone to follow

Dim the lights

Someone's tryin' to play us a tune
Just wait in line
I'm sure they'll be with you soon

Friday's child

Dances by the light of the moon
Now it's closing time
Back to your room with a view
You got another chance to

Rise and shine

Or yesterday will slip into tomorrow
You gotta rise and shine
And in time you'll find someone to follow

You gotta rise and shine

Yesterday will slide into tomorrow
It's time to rise and shine

You gotta rise and shine

For yesterday will slip into tomorrow
Gotta rise and shine
And in time you'll find someone to follow

You gotta rise and shine

For yesterday will slip into tomorrow
You've gotta rise and shine
Maybe you'll find someone to follow

You gotta rise and shine
For yesterday will slip into tomorrow
