Information's fed
Liberties are taken
Words will be misread
And sometimes truth forsaken

I'll keep looking at it sideways
With a grain of salt
Black and white days
That way I'll know that I will grow

I'll keep looking at it sideways
As I climb inside the
Black and white cage
It's outrage, I know but I will grow

There behind closed doors
And bright white picket fences
Reason takes the floor
And stimulates the senses

I'll keep looking at it sideways
With a grain of salt
Black and white days
That way I'll know that I will grow

I'll keep looking at it sideways
As I climb inside the
Black and white cage
It's outrage, I know but I will grow

Information's fed
And liberties are taken

I'll keep looking at it sideways
With a grain of salt
Black and white days
That way I'll know that I will grow

I'll keep looking at it sideways
As I climb inside the
Black and white cage
It's outrage, I know but I will grow
