You're running scared, you're not prepared  
that's undeniable  
Shows you how much I know  
I will admit to bein' a bit  
less than reliable  
That's as far as I'll, go  
Just look at me, I thought my dreams  
were unachievable  
Shows how much I know  
I've had my share of wear & tear  
It's inconceivable  
That's as far as I'll go

[bridge]  
And what if all that I say is a lie  
You would never know  
so let's keep it simple and we'll do all right  
That is all I know

Call me naïf, naïve, but I believe  
I'm private property  
Shows you how much I know  
Maybe a word will help much to curb  
your curiosity  
That's as far as I'll go

[chorus]  
You know all you need to know  
That's as far as I will go  
You know all you need to know  
That's as far as I'll go

So let me guess, I shouldn't question  
your sincerity  
Show you how much I know  
And should you ask I'll raise a glass  
to mediocrity  
That's as far as I'll go

[repeat bridge]  
[repeat chorus]

Just look at me, I thought my dreams  
were unachievable  
Shows you how much I know  
I've had my share of wear & tear  
It's inconceivable  
That's as far as I'll go

[repeat chorus]
