See the man sitting in the corner feeling humble  
Can't you see the tears in Uncle Albert's eyes  
Says the words again and again  
Says he's coming but he doesn't know when  
So get ready for a big surprise  
Says the word and everybody starts to crumble  
Don't you know he's got the gift of second sight  
We all have heard the calling  
You know I know you now  
It's all in Uncle Albert's eyes  
It's all in Uncle Albert's eyes  
In Uncle Albert's eyes  
All alone thinking about the resurrection  
Don't you think it's time that everybody knew  
We read the news but we all forgot  
Now the Garden of Eden was a parking lot  
I think it's time for a new direction  
It's all in Uncle Albert's eyes  
It's all in Uncle Albert's eyes  
In Uncle Albert's eyes  
See the man sitting in the corner feeling humble  
He may fool you now but he could never lie  
It's all in Uncle Albert's eyes  
It's all in Uncle Albert's eyes  
It's all in Uncle Albert's eyes  
It's all in Uncle Albert's eyes  
In Uncle Albert's eyes
