Have we been here before?  
Oh...  
Have we been here before?  
Oh...  
Someone took me by the hand  
And lead me through an open door  
And told me, you're just what I'm looking for  
Oh...  
I try so hard to understand  
Why the picture seemed so real  
'Cause I know better than to think I was dreaming  
[Chorus One]  
You know I see it in your eyes  
But if it's just imagination  
Why do I get this feeling  
We've been here before  
I turned 'round, shook my head in doubt  
  
Was it just a fantasy  
Or are you more than just a memory  
Oh...  
Something's familiar every time  
But somehow never quite the same  
It feels like I'm playin' someone else's game  
[Repeat Chorus One]  
[Chorus Two]  
I must have tried a thousand times  
And yet you still refuse to listen  
Still I get this feeling  
We've been here before  
Oh...  
[Repeat Choruses One and Two]  
[Repeat Choruses One and Two]
