Where are you goin now?
Gonna track you down
Smile when I get a taste
Of your liquid grace again.
You seem to slip away
Away to some dark place
In your soul
Before and after time
There is not time to spare.
You were made for me
I'll make you believe
I'll never set you free
I'll see you in your dreams.
Now! I've got you in my sights
And I'll hypnotize
I don't care If i live or die
Just be there when I arrive.
You were made for me
I'll make you believe
I'll never set you free
I'll see you in your dreams.
You were made for me
As far as I can see
You're never far from me
I'll see you in my dreams.
