Hello America, my name is Mitt Romney  
The 22th republican presidential nominee  
Surprise I can rap and it gets even better  
Cause I took my name and rearranged the letters,  
check it  
I'm a man of faith, big part of my identity  
I'm representity, I'm a mormentity  
I look presidential, white teeth, strong chin and grey  
hair  
Please note my trim  
Time have been ... but I'ma change ...so huge  
It's like I got enormity, trademark  
A leadership switch should be timely  
Obama is a failure and a wash out, I'm not, try me

My aim was a style that's totally lame about  
But then you went the flame route and called my name  
out  
Mitt you should have known this  
It's a mistake to mock Barrack because I torment my  
opponents  
Have I danged your mother, certainly  
And I'll so till the end of time  
Call it that a momternity  
You'd be a fool to match wits with me  
Ain't that right tiny emo mr t  
I pity the fool, I pity the fool

You used the letters in my own name against me?  
Damn you  
Why don't we see what your name anagram do  
This means you're brainless as a scarecrow  
Cause I got flavor like a babka  
Power like a camaro, I'm a lyrical commando  
It's easy as abc to see my aka should be Rambo  
I make you sob along with your whole ham  
When I slam your dog bo with a car, kabam

I won't let this nob take my job  
But I will leave you shaking in ... like a maraca kebab  
Don't show me your diploma,

Cause I can tell you got a ba  
But in your case it's short for back aroma  
You stanking ass for a whack of term  
You white gob pachyderm  
A elephant president no way hose  
The tasking ... oh ok  
Well I get Tim Pawlenty, oh he's a wimpy talent  
And Rick Santorum, bird brain stork cranium  
What about Michelle Bachman, minnesota belch  
machine  
Newt Gringrich I mean who let that Grinch get away  
Well if Herman Cain my dog, I done that canine harm  
Rick Perry I irk it, pre making him cry  
Jon huntsman can give me an hj on my nuts  
And Ron can lick my pauls  
That's an oral pun  
I'll win the elections, no I'm gonna win  
Are you sure of that power,  
Oh are you sure of that m'am  
This is my America, bro!
