[Sage Francis]

Condoliza Rice I don't need your lies your jittery when  
under attack

It's funny at least for you to lie through your teeth  
cause there's a credibility gap

Got big Saddam but we missed Bin Laden and Bush  
still ain't found no weapons

Headline "WE GOT 'EM" is still a big problem in Iraq  
there killing Americans

I thought the war was over we're sending more soldiers  
something just wasn't done right

Tell bush he could of, should of, would of, maybe next  
time bring a pen to the gun fight

MOTHERFUCKER

[Nirvana Sample]

Nothing on top but a bucket and a mop and an  
illustrated book about birds

There's a lot up there but don't be scare, who needs  
actions when you got words..

[Sage Francis]

Who needs action when you got words (x3)
