Makeshift Patriot  
The Flag Shop Is Out Of Stock  
Hang Myself...Half Mast

Makeshift Patriot  
The  
Flag Shop is Out of Stock  
I hang myself...via live telecast

Coming live from my own funeral...the  
beautiful weather offered a nice shine  
Which is suitable for a full view of a forever altered  
skyline  
It's times like these I freestyle biased opinions every  
other sentence  
My journalistic  
ethics slip when I pass them off as objective  
'Don't gimme that ethical shit.'  
I've got exclusive,  
explicit images to present to impressionable American  
kids  
And it's time to show this world  
how big our edifice is!

That's exactly what they attacked when a typically dark  
skinned  
Disney villain  
Used civilians against civilians and charged the trojan  
horses into our  
buildings  
Using commercial aviation as instruments of  
destruction  
Pregnant women couldn't  
protect their children  
Wheelchairs were stairway obstructions  
Now I have to back pedal...from  
the shower of glass and metal  
Wondering how after it settles we'll find who provided  
power  
to radical rebels  
The Melting Pot seems to be calling the kettle black  
when it boils over

But  
only on our own soil so the little boy holds a toy soldier..  
And waits for the suit and tie to  
come home. We won't wait 'til he's older  
Before we destroy hopes for a colder war to end  
'Now  
get a close up of his head...'

The Flag Shop Is Out Of Stock  
Hang Myself...Half  
Mast

Makeshift Patriot  
The Flag Shop is Out of Stock  
I hang myself while the stock markets  
crash

The city is covered in inches of muck  
I see some other pictures of victims are up  
Grieving  
mothers are thinking their children are stuck  
Leaping lovers are making decisions to jump  
While  
holding hands...to escape the brutal heat  
Sometimes in groups of the three  
The fall out  
goes far beyond the toxic cloud where people look like  
debris  
But all they saw after all was  
said...beyond the talking heads

Was bloody dust with legs looking like the walking  
dead  
calling for meds  
Hospitals are overwhelmed. volunteers need to go the  
hell home  
Moments  
of silence for fire fighters were interrupted by cell  
phones  
Who's going to make that call  
to increase an unknown death toll?  
It's the one we rally behind  
He's got a megaphone...and  
he's promising to make heads roll  
So we cheer him on, but asbestos is affecting our  
breath  
control  
The less we know...the more they fabricate...the easier  
it is to sell souls  
An addictive

24 hour candle light vigil in TV's  
Freedom WILL be defended...at the cost of civil  
liberties  
Viewers  
are glued to television screens  
Stuck... cause lots of things seem too sick  
I use opportunities  
to pluck heart strings for theme music

I'll show you which culture to punp your fist at and  
what foot is right to kiss  
We don't know who the culprit is yet...but he looks like  
this  
We  
know who the heros are. Not the xenophobes who act  
hard  
'We taught that dog to squat.  
How dare  
he do that shit in our own back yard!'

They happened to scar our financial state and char our  
landscape  
Can you count how many times so far I ran back this  
same damn tape?  
While a camera  
man creates news and shoves it down our throats on  
the West Bank  
With a 10 second clip put on  
constant loop to provoke US angst

So get your tanks and load your guns and hold your  
sons in  
a family huddle  
Because even if we win this tug of war and even the  
score...humanity struggles  
There's  
a desperate need of blood for what's been uncovered  
under the rubble  
Some of them dug for answers  
in the mess...but the rest were looking for trouble

Makeshift Patriot  
The Flag Shop Is  
Out Of Stock  
Hang Myself...Half Mast

Makeshift Patriot  
The Flag Shop is Out of Stock  
I  
hang myself, don't waive your rights with your flags
