You say your hearts been broken

And you just cant win

You say that youll never love again

Let me tell you friend

You cant give up on love

Thats the one thing weve got to keep going

Cause it dont come easy and its so hard to hold

But you cant give up on love

Looked out my window and what did I see

Its another broken family

The kids are stayinwith mama at home

Daddys livin in a house all alone

Chorus

Troubled times make it hard to stay

So many lovers take the easy way

But dont go crazy and jump ship too soon

Cause everyday cant be a honeymoon

Chorus

No you cant give up on love

No you cant give up on love
