I know,I know I've let you down  
I've been a fool to myself  
I thought that I could  
live for no one else  
But now through all the hurt & pain  
It's time for me to respect  
the ones you love mean more than anything  
So with sadness in my heart  
(I)feel the best thing I could do  
is end it all and leave forever  
what's done is done it feels so bad  
what once was happy now is sad  
I'll never love again  
my world is ending

I wish that I could turn back time  
cos now the guilt is all mine  
can't live without  
the trust from those you love  
I know we can't forget the past  
you can't forget love & pride  
because of that,it's kill in me inside

It all returns to nothing,it all comes  
tumbling down,tumbling down,tumbling down  
It all returns to nothing,I just keep  
letting me down,letting me down,letting me down  
In my heart of hearts  
I know that I called never love again  
I've lost everything  
everything  
everything that matters to me,  
matters in this world

I wish that I could turn back time  
cos now the guilt is all mine  
can't live without  
the trust from those you love

I know we can't forget the past  
you can't forget love & pride

because of that,it's kill in me inside

It all returns to nothing,it just keeps  
tumbling down,tumbling down,tumbling down  
It all returns to nothing,I just keep  
letting me down,letting me down,letting me down

It all returns to nothing,it just keeps  
tumbling down,tumbling down,tumbling down  
It all returns to nothing,I just keep  
letting me down,letting me down,letting me down
