Now it's time,I fear to tell
I've been holding it back so long
But something strange deep inside of me is happening
I feel unlike
I've ever felt
And it's makin' me scared
That I may not be what I(think I am)
What of us,what do I say
Are we both from a different world
Cos every breath that I take,I breathe it for you
I couldn't face my life without you
And I'm so afraid.There's nothing to comfort us
What am I,if I can't be yours
I don't sleep,don't feel a thing
And my senses have all but gone
Can't even cry from the pain,can't shed a tear now
I realise
We're not the same
And it's makin' me sad
Cos we can't fullfill our dream(in the life)
So I must,let us break free
I can never be what you need
If there was a way,through the hurt
Then I would find it
I'd take the blows.Yes I would fight it
But this is the one.Impossible dream to live
What am I,if I can't be yours.
