We seen your pockets dog, big days hundreds
While my ass so fat, I be doing...
Thousand dollars... he say my pussy...
So she...
Burn a bitch with my blank get out my way, get outta
here
Hoe you got a ass saying bbg
You owe me for your career like Sally Mai
Bring them down to them knees, let us pray
I bet you I can snatch up your dear beloved
If there's a hole in the wall, he'd probably fuck it
... I ain't the one to fuck with
Niggas shine stay but they stay on some dumb shit
Whoever... get money...
Need weed in abundance, send ice in my ice kiss
Kiss my ass, you wouldn't have a shot
If you weer Steve...
I'm good in Texas and everywhere... for I get reckless
The diamonds in my necklace... everyone stand
... went to Princeton

... nobody fuck with you, you just something they put
they dicks in
I seen better... aiming for a Oscar... sitting next to
lobster
Phantom of the opera, fucking in the Maybach
Had them moaning like the little bitch when I'm on top
Stop, quit playing in traffic
How can we explain this to Affleck
He was talking shit, while I was getting my ass licked
... you baby father with me so your kid is a bastard
And when he think he doing it, I yell at him faster

We seen your pockets dog, big days hundreds
While my ass so fat, I be doing...
Thousand dollars... he say my pussy...
So she...
We seen your pockets dog, big days hundreds
While my ass so fat, I be doing...
Thousand dollars... he say my pussy...
So she...
