I think I might be crazy.  
But tonight, the kids will show their face and prove that  
they can go there  
With no regard that people live there; we won't wait

She said, "The devil's out of town and I'm filling in."

All we want is what we've come for: liberationtoxication  
Scream out loud, 'cause life is crazy  
Sanity, we have no use for

Sanity we have no use for
