Yeah, I've been lookin' all over his place  
For something missing or some little change  
Thought I could see a sign in his face  
Oh, what a waste? I can't help it

I think I'm fallin' out of his sight  
The smiles around him is catching his eye  
Confirm my suspicion, I bet, I am right  
Oh, what a waste? I can't help it

Every night, I wonder who do you dance for?  
Who's got your heart and who do you care for?  
(Every night)  
I'm only throwin' it away, away  
(Every night)  
I think I'm losing all the way, way

Yeah, I've been sitting alone for so long  
With a war in my head, wondering where you have  
gone  
Don't be surprised, I was never that strong  
Oh, not again, I can't take it

One little victory is all I need  
I'm tied to his arm but still I don't see  
What it is that I got that brings him back to me  
Oh, not again, I can't take it

Every night, I wonder who do you dance for?  
Who's got your heart and who do you care for?  
(Every night)  
I'm only throwin' it away, away  
(Every night)  
I think I'm losing all the way, way

Every night I wonder who do you dance for?  
Who's got your heart I'm not taking a chance no, no, no

Oh, what a waste? I can't help it

Every night, I wonder who do you dance for?  
Who's got your heart and baby, who do you care for?

(Every night)  
Every night, I wonder who do you dance for?  
(Every night)  
Who's got your heart I'm not taking a chance no, no, no  
(Every night)

Every night, every night  
(Every night)  
Every night, every night  
(Every night)  
Every night, every night  
(Every night)
