Ey khodaye mehraboon delam gerefte....
Ba to sheram hamegi range bahare
Ba to hich chizi delam kam nemiyare
Vaghty nisti hamechim tir Oo tare
Kash bebakhshid to khatahamo dobare
Ey khodaye mehraboon delam gerefte
Az in abre nime joon delam gerefte
Az zamin Oo asemon delam gerefte
Akhe ashkamo bebin delam gerefte
To khatahamo nabin delam gerefte
To bebakhshid faghat hamin delam gerefte

Vase eshgh Oo asheghi to behtarini
Kash hamishe mehrame dele to basham
To bozorgi avalin Oo akharini
