Ashley:

People say that love at first sight is part of fairy tales
And they're right because I don't believe in fairy tales
no more
But I do believe that if you're waiting for your true love
You might not have to look anymore because they
could be right beside you
I know I haven't known him for a very long time
But I know that I have feelings
People say I'm too young to have feelings for you
But I can't help it I do
I'm not Aaliyah so I won't write you a four paged letter
I'm not Ashanti, I will never leave you
I want you to be by my side forever
And I want to be down to ride

Tiffanie:

You need to know how I feel and you need to know that
this love is for real
Although you're not thugged up and happening like
every other guy I met
You're special
You make me feel things I wish that I could wait for in a
couple of years
But this is real
It's real

Lil Annoyance:

Homey you need to understand that all this rap game
isn't all that I have
I may be young but even Niesha Wells knows how she
feels
Don't you ever think for a minute that things are
changing between us
Because it's not
We're homies forever
Forever

Ashley:

So this is for you boy the one that I adore
And the one that I put above
The only one that I think I love
I'm not real sure and no doubt I might not no nothing
I just know that I'm crazy about

Tiffanie:

About...

Lil Annoyance:

...all the crazy...

Ashley:

...things you do
Cause baby boy I think I love you
