Lonely sidewalks, silent night.  
Bring the evening, deep inside.  
Hold me darling, touch me now.  
Let the feelings free tonight.

Love is on the way. I can see it in your eyes.  
Lets give it one more try tonight baby. x 2

Time of season wipes the tears.  
No rhyme or reason. No more fears.  
All the dreaming, far behind.  
You are here now. Everything's alright.

In the morning I'll be gone away.  
All the things, I left behind.  
If you need me, I'll come night or day.  
Let's stop the hands of time.
