I remeber like it was yesterday jay before this saigon  
buzz before they was callin me S to tha A You would  
say i was the best to this day i be like better then nas  
you say nah nigga better then jay  
And i be like you buggin cousin plus you kno that i  
wasnt that was your way of encouragin the kid that  
keep shovin  
No matter what ever the crime you would do for the  
grime go as far as slingin dimes for som studio time  
i still feel you here even tho that i kno you not told you i  
would blow but i really wanted to show you i  
I aint stay local rock shows around the globe shot down  
a lot of folks who thought they was hot wit their vocals  
I kno I visit your grave not as much as i should but its  
funny cause this is as much as i could its harder than  
you think  
Pray to god that you up in that bitchlink  
Send my love to miss mary elizabeth sing

### CHORUS

Been in and out of life everyday  
So hang around for awhile for somewhere to stay  
A reason season or a lifetime  
Said its hard to let go but we got to  
Cuz baby they done what they got to  
They either here for a reason a season or a lifetime.

If you got somebody you love to see whether its your  
brother  
your niece  
your mother  
your father  
your uncle don preach  
a close friend who was stuck in the streets someone  
you tried to pull out but it seems the peaches kept  
duckin your reach  
Im hopin your hearts touched with this beat  
Stevie Wonder see's black babies playin  
Not luggin the heat

Theres a couple people i love to 6 feet  
My grandmama my otha brother was killed on dem new  
jerz streets  
My friend Ali got struck wit the train it was hard to bury  
the gaud body hardly nothin remain  
If I seem him again will i hear that laughter that left or  
is he still how he died with his head detached from his  
chest  
damn I cant call it fam rest in peace to stutterin Stan we  
stuck together like peanut butter and jam  
That was my motherfuckin man he would always give  
me the upper hand now he layin under the land.  
Been in and out of life everyday  
So hang around for awhile for somewhere to stay  
A reason season or a lifetime  
Said its hard to let go but we got to  
Cuz baby they done what they got to  
They either here for a reason a season or a lifetime.

Been in and out of life everyday  
So hang around for awhile for somewhere to stay
