I'm lost in a nightmare
I'm lost in a nightmare
I danced in my nightmare
so dazed and confused
I'm lost in a nightmare
I'm lost in a nightmare
so dazed and confused
Poster girl , Poster girl

Riding in the chevy with the gun
in the back all my bitches mod
and they dressed in all black
a couple million in the bank
and I ain't had enough yet
put yo money on the table
you gone give me my respect
cause I'm a Killa Killa Killa
you know dat I'm a Killa Killa Killa
I'm bout to go and Hitta Hitta Hitta
You know that I'm Hitta Hitta Hitta
Hitta Lick

I knew that it would come to this diamonds
I can resist the money I'm in love with it so
I'm gonna call my man and do dis
gonna call my man and do dis
I don't know why i live this life all the money
they got inside you know that they don't need it
so I'm gonna get my gun and use it
gonna get my gun and use it

It's just me and you ridin dirty
I keep my pistol by my side and
I know all the bad boys love me baby
I'm a ride or die

Riding in the chevy with the gun
