(Larry Blackmon)

Many ladies try to change your winning hand
They try to take my place
It's such a tempting game, ooh
But I can't take my mind off you
Even though there's temptation running through
Nothing wrong I would do
To jeopardize losing you

You are the ace of my heart
No one can take your place
I don't wanna be away from you
You are the ace
The ace of my heart
You are the ace
The ace of my heart
You are the ace
The ace of my heart

(Huhh!)

I put the past behind me
Silly man with a pretty face
You're the one beside me
And only you can hold a special place
No one, no one, no one, no one
Nobody could ever take your place
No one, no one, no one, no one
Nobody could ever take your place

You are the ace of my heart
No one can take your place
I don't wanna be away from you
You are the ace
The ace of my heart
You are the ace
The ace of my heart
You are the ace
The ace of my heart

(Huhh!)

[Instrumental interlude]

You are the ace of my heart
No one can take your place
I don't wanna be away from you
You are the ace
The ace of my heart
You are the ace
The ace of my heart
You are the ace
The ace of my heart
Of my heart, baby
Oh, oh oh oh

You are the ace of my heart
No one can take your place
I don't wanna be away from you
You are the ace
The ace of my heart
You are the ace
The ace of my heart
You are the ace
The ace of my heart
Of my heart
