If you see me in the pouring rain  
No, I'm never coming back again  
For you, my beloved Chanel

Walk along my dear hand in hand  
No not a tear not a grain of sand  
For you, my beloved Chanel

Dancin' on the moonlit sky  
Glancin' in each others' eye  
Oh, my heart does swell  
Believe me when I say to you  
You really ring my bell

Walking in the park the other day  
My heart skipped as I heard him say  
For you, my beloved Chanel

Crying, screaming, ranting, raving mad  
If you were dead, boy would I be glad  
For you, my beloved Chanel

Dancin' on the moonlit sky  
Glancin' in each others' eye  
Oh, my heart does swell  
Believe me when I say to you  
Go right to hell

Dancin' on the moonlit sky  
Glancin' in each others' eye  
Oh, my heart does swell  
Believe me when I say to you  
You really ring my bell

Laughin' as your grave is built  
Not an ounce of shame or guilt  
For you, my beloved Chanel

I never cried, I never could  
All the blame will do no good  
For you, my beloved Chanel  
For you, my beloved Chanel

For you, my beloved Chanel
