When I look into the light  
Then I see that the light won't do  
See the shade of a daisy fooling you

So you go about your ways  
As you did I head [Incomprehensible]  
All in your eyes when he sent for you

State your case and then I will follow  
No romance, no romance until tomorrow  
State your case and I will follow  
No romance, no romance until tomorrow

Lives ahead of your time  
You're a legend but you never knew  
See the shakes in the wake puttin' it back for you

Got to school in these ways  
But if you fall, who catches you?  
All the walls that you make will never do

So, state your case and I will follow  
No romance, no romance until tomorrow  
State your case and I will follow  
No romance, no romance until tomorrow

I.C.U. in starlight  
I don't mind but I'm feeling used  
I.C.U. in starlight  
And you're blind to what I can do now

I fall down, so fall down  
[Incomprehensible] when I'm here when you're down

When they look into the light  
Then they see that the light won't do  
See the shade of a daisy fooling you

So you go about your ways  
As you did, I head [Incomprehensible]  
All in your eyes if he sent for you

State your case and I will follow  
No romance, no romance until tomorrow  
State your case and I will follow  
No romance, no romance until tomorrow

I.C.U. in starlight  
I don't mind but I'm feeling used  
I.C.U. in starlight  
And you're blind to what I can do now

I.C.U. in starlight  
I don't mind, don't mind  
I don't mind, no, no, no  
Oh, no

I.C.U. in starlight  
And you're blind  
It is one thing I like, yeah
