Miss Jones knows, what the dogs like
And the dogs know, what they like about her
In the fields of grass where the young boys run
Away from, away from, away from

Hey, hey Mrs Jones, when you get down there will you
let us know?
Father John is worried
Hey, hey Mrs Jones, when you get down there will you
let us know?
Flames of war are b-b-burning

The hills wish they were mountains
And the weeds, to be trees
In the years to come, when we all run
Away from, away from, away from

Hey, hey Mrs Jones, when you get down there will you
let us know?
Father John is worried
Hey, hey Mrs Jones, when you get down there, will you
let us know?
Flames of war are b-b-burning

Hey, hey Mrs Jones, when you get down there will you
let us know?
Father John is worried
Hey, hey Mrs Jones, when you get down there will you
let us know?
Flames of war are b-b-burning

Hey, hey Mrs Jones, when you get down there will you
let us know?
Father John is worried
Hey, hey Mrs Jones, when you get down there will you
let us know?
Flames of war are b-b-burning
