What do you do, What do you do*
People want to know where I go,How I Think
And then they ask me when I'm going to do it
They're always asking questions, Butting deep into my
life
They wanna know what I do Every Minute
They say "What do you do!!?"
Well What's it to you? ya know..."How do ya do?!!"
Well..I'm fine Thank You
What do you do?!! Well I do what I do
And that's what I will do
What do you do!-Same as you do!
What do you do!-Same as you do!
Same as you do!
What do you do!-Same as you do!
What do you do!-Same as you do!
They say you look just like a Whore in a Church
You know I think I'm gonna stay away from YOU, YOU,
YOU
And that's what we will do
They say "What do you do!!?"
Well What's it to you? ya know..."How do ya do?!!"
Well..I'm fine Thank You
What do you do?!! Well I do what I do
And that's what I will do
What do you do!-Same as you do!
What do you do!-Same as you do!
Same as you do!
What do you do!-Same as you do!
What do you do!-Same as you do!
Check this out
I could be walking with two chicks under my arms
And here is this carload of Big, Fat Balden guys driving
by
And they're Still calling me a FAGGOT!
They say "What do you do!!?"
Well What's it to you? ya know..."How do ya do?!!"
Well..I'm fine thank you
What do you do?!! Man I just mind my own business
So why don't you kiss my ass while you're at it?!
What do you do!-Same as you do!
What do you do!-Same as you do!

Same as you do!
What do you do!-Same as you do!
What do you do!-Same as you do!
