He's got the fire like no one in the world
My body's burning he's just turning me on
I'm like a dancer going wild on the floor
It's so amazing

He knows I'm watching while he's doing his moves
This is the first time in my life with no rules
I'm like a dancer going wild on the floor
It's so amazing

Everybody on the floor, oh oh oh
Mister Dj give me more, oh oh oh
Cause tonight I'm so alone, I'm so alone /x4

He's got the fire like no one in the world
My body's burning he's just turning me on
I'm like a dancer going wild on the floor
It's so amazing

Everybody on the floor, oh oh oh
Mister Dj give me more, oh oh oh
Cause tonight I'm so alone, I'm so alone /x2
