hari mei to laakh yatan kar haari

mahalan dhoonda, giriban dhoonda,
dhoondi duniya saari, hari mei to laakh yatan kar haari.

gokul kunj gali mein dhoond, dhoonda vrindavan mein,
daal daal se, phool paath se jaa poocha kunjan mein
veethi ki sab kahe harina , abki kahe banwari,
hari mei to

koi kahe sri ram hai kya? ya gauri kaali maiya
mai kahu nahi gopal hain woh ek ban mein charaave gaiyya
umapati parameshwara nahin, na narayan bhaya haari
meera ka hridaya vihaari, meera ka hridaya vihaari
ang pitambar more mukut, sir maala gale sihaave
bahuroopi bade roop dhare, jis naam bulavo aave*2
meera kahe ab laaj rakho prabhu aavo murali dhaari
meera kahe ab laaj rakho prabhu aavo aavo murali dhaari,
aavo murali dhaari.
