We were strangers, Starting out on a journey.
Never dreaming what we'd have to go through.
Now here we are. I'm suddenly standing at the
begining with you.

No one told me I was going to find you. Unexpected
what you
did to my heart. When I lost hope you were there to
remind me
this is the start.

And life is a road and I wanna to keep going
love is a river I wanna keep flowing
life is a road Now and forever
Wonderful journey

I'll be there when the world stops turning
I'll be there when the storm is through
In the end I wanna be standing
At the begining with you

We were strangers on crazy adventure.
Never dreaming how are our dreams will come true.
Now here we stand Unafraid of the future.
At the begining with you.

(chours)

And life is a road and I wanna to keep going
love is a river I wanna keep flowing
life is a road Now and forever
Wonderful journey

I'll be there when the world stops turning
I'll be there when the storm is through
In the end I wanna be standing
At the begining with you

Knew there was somebody somewhere.
like me alone in the dark. Now I know my
dream will live on. I've been waiting so long.

Nothing's gonna tear us apart.

And life is a road and I wanna keep going on.
Love is a river and I want to keep flowing on.
life is a road now and forever
wonderful journey

I'll be there when the world stops turning
I'll be there when the storm is through
In the end I wanna be standing
At the beginning with you

And life is a road and I wanna keep going on.
Love is a river and I want to keep flowing on.
life is a road now and forever
Starting out on a journey!
Life is a road and I wanna keep going.
Love is a river and I want to keep going.
In the end I wanna to be standing at the
beginning.....With you.(x2)
