"Braceface Theme Song"

Visit "[Braceface Theme Song](#)" on MotoLyrics.com

Something tells me I've been dreaming of someone
who was never
Real.
It's seems I've changed a thousand ways I wish I looked
the way I feel.
BraceFace!
My life is complicated.
Boyfriends.
Don't want to talk about it
Teenage.
I'll work it all out.
BraceFace!
Something tells me I've been dreaming of someone
who was never
Real.
It's seems I've changed a thousand ways I wish I looked
the way I feel.
BraceFace!
My life is complicated.
Boyfriends.
Don't want to talk about it
Teenage.
I'll work it all out in the end.
BraceFace!
