There are days when those  
gray skies make you blue.  
Each forward step you take,  
you fall back by two.  
You've been hit by some hard knocks,  
you just can't stand.  
Feeling like Alice felt, in Wonderland.

Let me be the one to lend a hand.  
Call my name and I'll be there.  
There's nothing like the laughter that we share.  
Whenever you need someone or a shoulder to lean on,  
call my name and I'll be there

And when life's going your way,  
just like a breeze,  
it's a kite-flying kinda day, above the trees.  
Together we'll be making memories.

Call my name and I'll be there.  
There's nothing like the laughter that we share.  
Whenever you need someone or a shoulder to lean on,  
Call my name and I'll be there.

As this world turns us around,  
we hang on to what we found,  
a treasure we both need.  
I will go that extra mile  
to give you back that certain smile  
that you've given me, Yeah!

I'll answer anytime and anywhere.  
Call my name and I'll be there.  
There's nothing like the laughter that we share.  
Whenever you need someone or a shoulder to lean on,  
call my name and I'll be there.  
Call my name and I'll be there.  
Call my name,  
Call my name,  
and I'll be there.
