From pigtails to perfume
I'm growing up so soon
Going to parties
I love having my own room
Don't spend as much time at home now
There's so much to do
But I know, it's true

I'll always be daddy's girl
Out in the great big world
He's taught me what's right from wrong
I feel so strong
I'll always be daddy's girl

I fill up my diary
With all my dreams and hopes
My future keeps changing
Like a rainbow kaleidoscope
A special boy waits just for me but
Even though he's so nice
I know, inside

I'll always be daddy's girl
Out in the great big world
He's taught me what's right from wrong
I feel so strong
I'll always be daddy's girl

Soon I'm gonna be all on my own
I feel ten feet tall
I'm not that little girl any more
I can do it all

I'll always be daddy's girl
Out in the great big world
He's taught me what's right from wrong
I feel so strong
I'll always be daddy's girl

The greatest gift in the world
Is being daddy's girl

He's given me the perfect start
Right from the heart
I'll always be daddy's girl
I'll always be daddy's girl
I'll always be daddy's girl
Daddy's girl
