I don't know why I'm even living here  
There's friction down on the street  
Science fiction takin' place all around  
Read all about it

The news is on the hour and every hour  
There's trouble under my bed  
It's all around me  
'Cause it's going on inside my head

(Bridge:)  
I'm changing my station  
Turning the dial on my radio  
Tune to some silence  
Changing my style right now

(Chorus:)  
All the people downtown staring down at the ground  
Don't see the Gift Horse  
In the eye of the storm, in the peace of the dawn  
You'll see a gift horse  
And it's waiting inside, waiting inside...  
\*Don't look a gift horse

I won't be in today and furthermore  
Please take a letter, Miss Jane  
Address it to the seeker  
Somewhere in my brain

I read the writing on the subway wall  
Where angels fear to tread  
Reaching out, seeking out  
Finding a brick wall head

(Repeat bridge)  
(Repeat chorus)

Changing my station, turning the dial on my radio  
Tune to some silence, changing my style right now...  
(Repeat chorus to \*)  
Gift horse...
